PERMANENT COURT IS ESSENTIAL TO PEACE OF WORLD

Is as Necessary as Domestic Court, Says Hughes

(By The Associated Press)
NEW YORK, June 4.—Two thousand members of the bench and bar heard Secretary of State Charles Evans Hughes plead for America's entrance into the world court tonight at the Kent Centennial Celebration at Columbia University.

Justice Edward R. Finch of the appellate division of the New York supreme court who introduced Secretary Hughes also defended the court and pointed out that the teachings of James Kent the former Columbia professor in whose memory the meeting was held, showed that states or nations being composed of individuals were subjected to wrong doing and should be treated as individuals for their misdeeds.

Secretary Hughes said the tranquility of the world depended upon the existence of a world court just as the tranquility of the United States and its various states has depended and still depends upon the courts.

"Our courts," he declared, "still remain the assurance of our domestic peace. This is true in international as well as in National affairs. If we have tranquility states, it is because the people believe in the regulation of law and maintain the integrity of their courts. If we have a nation with the immense advantage of national authority adequate to meet all national needs, it is because we have the supreme court of the United States. If controversies over legal rights are to be determined peacefully, there must be a tribunal to determine them.

"The American love of peace and sense of right," he said, "and the conviction born of our own experience, have made it a definite part of American policy that we should do all in our power to secure provision for the peaceful settlement of international disputes by the establishment of a permanent tribunal of international justice.

Our Interests Demanded It
"Our peculiar interests as a nation require it, in order to give more adequate protection to our own rights; the interests of world peace demand it."

Secretary Hughes asserted that temporary tribunals were imperfect both in the choice of arbitrators and in the likelihood of the intrusion of political considerations.

"How unsatisfactory is such a method," he added, "as compared with the opportunity to submit a controversy to a permanent international court composed of ablest and most impartial judges acting as a court in accordance with judicial standards and giving their continuous and expert service to the interpretation and application of international law.

"Those who say that we should perfect international law before we have a permanent court of international justice ignore the fact that in the meantime we must have arbitral tribunals to decide our controversies of a justiciable nature; we cannot in deference to our historic policy refuse to submit such cases to arbitration. These critics also ignore the enormous service that an international court may render with the materials now at its command in the development of international law."

Speaking at the centennial anniversary of Columbia's acquisition of James Kent as a permanent professor, Secretary Hughes eulogized the famous American judge and declared he was justly acclaimed as the "Father of American Jurisprudence."

He pointed out in describing Kent's life and career that whereas, a century ago, little and poor law was produced in America now it was the nation's chief product, thus creating an imperative need for competent exposition of the law.

TRAIL OF VRANIAC LEADS TO KANSAS

(By The Associated Press)
OTTAWA, Kans. June 4.—Clues recently obtained in Sedalia and Nevada, Mo., to the missing Virden, Ill., priest, Rev. Father J. A. Vranlak, apparently have led to Ottawa, and Franklin county where J. A. Vranlak, a brother of the priest and J. W. Diamond, a private detective are today engaged in making an investigation. It has been learned that a man in disheveled clerical garb resembling Vranlak's published pictures was seen here one morning early last week and at different times during the week near the little towns of Pomona, Richter and Richmond. It is the theory here that Father Vranlak came into Ottawa on a train from Nevada, Mo., where two boys "bumming" their way said they had seen a man of this description.

TWO MEMORIALS WERE UNVEILED IN WASHINGTON

Devoted to Progress in Highways and Better Homes

(By The Associated Press)
WASHINGTON, June 4.—Two memorials, one signifying the nation's progress in highway construction and the other devoted to the promotion of better homes, were dedicated in Washington today by President Harding.

Ceremonies incident to the dedications were attended by thousands of shriners here for their convention and had as their feature addresses by the president.

The highway memorial took the form of a block of granite erected on the Mall south of the White House thru the efforts of the Lee Highway association and destined for use as a zero milestone, or basic mark for the measurement of highway distances throughout the country. The other memorial was a reproduction of the boyhood home of John Howard Payne, author of "Home, Sweet Home," built in Sherman Square, by the general federation of women's clubs to further the movement for better homes.

In dedicating the zero milestone, the president directed attention to the need for construction of better rural roads, interlinking the main lines both as a means of strengthening the ties of mutual interest and interdependence which unites all of our sections, and to facilitate mobilization for national defense.

Improvement of homes and advancement in the mechanical appliances of the home, Mr. Harding said in his address would bring about "real emancipation of women and allow the home makers to take a new, a larger and vastly more significant part in those great determining activities of life."

SHIPPING BOARD TO KEEP VESSELS ON ALL WORLD TRADE ROUTES

Committee Named to Map Out Administrative Plans

(By The Associated Press)
WASHINGTON, June 4.—The shipping board decided today to proceed with direct government operation of sufficient vessels to keep the American flag on all world trade routes. A committee composed of Chairman Lasker, and Commissioners O'Connor and Thompson, was named to map out administrative plans.

Decision to name the committee was reached after Commissioner Lishner who had been in New York conferring with some of those who submitted bids for routes not now operated by the government reported that only "three or four promising bids remain."

A statement issued tonight by the board said that Commissioners Lishner and O'Connor, together with Chairman Lasker would continue in negotiation so that when the new plan of operation is determined on the shipping board will know just of its lines, "if any are to pass into private hands."

WHOLESALE PRICES OF MEAT CONTINUE LOW

CHICAGO, June 4.—The wholesale prices of meat with few exceptions have continued at relatively low levels, remaining considerably below the general average of commodity prices, according to a review of the livestock and meat situation made public tonight by the institute of American meat packers. This condition exists in spite of the fact that the consumption of meat has been on a very broad scale the report said.

Ed meats remain about steady as compared with prices which prevailed a month ago, the review said, "notwithstanding the fact that these meats are being consumed in large quantities. The increased demand for these products indicates that housewives are taking advantage of lower prices."

"The foreign demand except for lard was of small dimensions."

GIRLS' DORMITORY STRUCK BY LIGHTNING

Topeka, Kans., June 4.—The girls' dormitory at the Kansas State Industrial and Educational Institute, a school for negroes two miles east of Topeka, was struck by lightning during a rain tonight and burned. Officials at the school estimated the loss at \$150,000.

BIRD DOG OWNERS AS WITNESSES

Memphis, Tenn., June 4.—Bird dog owners and lovers from six states were witnesses in federal court here today against T. E. McLondon, proprietor of the Neshoba Kennel, in this county who is on trial charged with using the mails to defraud in selling dogs under alleged false representation to persons in many parts of the United States.

GENERAL STRIKE IS THREATENED ON FRENCH VESSELS

Stokers and Firemen Won't Sail Unless They Have Wine

(By The Associated Press)
PARIS, June 4.—A general strike of the stokers and firemen on the Steamship LaFayette, sailing from Havre for New York on June 9 and on all other French ships scheduled to leave for the United States after that date is threatened unless the men receive assurances that the two litres of wine to which they are entitled under the French merchant marine law will be forthcoming while they are in New York harbor.

This decision was reached at the headquarters of the Union of Seafaring Workers today. A full meeting of the delegates to the firemen's and stokers' union will be held here on Wednesday when ratification is expected of an ultimatum, drawn up by its executive committee, giving the French line choice of filling the LaFayette's wine tanks as usual or suffering a strike.

The French Line, aware of the movement, is withholding its final decision for the present but it stated that the LaFayette will sail Saturday with her full quota of "Vin Rouge Ordinaire" for the crew.

Meanwhile the ministry of merchant marine has been in constant conference with the ministry of commerce drawing up a plan of agreement governing the status of French merchantmen while in the port of New York and this will be submitted to Premier Poincare for presentation to Washington.

The shipping interests in Paris, awaiting the decisions of the government and their own employees, are silent and beyond saying that French ships will sail from Havre supplied with their regular quota of wine, officials today would vouchsafe no other information.

TREASON TRIAL IS BEGUN IN MUNICH

(By The Associated Press)
MUNICH, Bavaria, June 4.—The trial for treason of Professor Fuchs, a dramatic critic and others in connection with an alleged conspiracy to form a continental league of nations under the domination of France began today. One of the defendants, Herr Machus, a musical conductor committed suicide by hanging in his cell in the prison Sunday night. Dr. Kuhnle, former legal adviser to the Munich town council who also was taken into custody at the time Fuchs and the others were arrested committed suicide by shooting shortly after his arrest when he was temporarily released from prison. Fuchs in the course of his examination today admitted that negotiations were in progress with a view to securing the co-operation of the Bavarian Reichswehr with national organizations.

A despatch from Berlin last March announced that a coup d'etat which had been planned had been avoided by the arrest in Munich of fifteen persons. Theingleaders in the alleged conspiracy were given as Professor Fuchs, Herr Machus and Dr. Kuhnle.

SUMMER HEAT CAUSES PROSTRATIONS

(By The Associated Press)
CHICAGO, June 4.—Summer heat held back by cool temperatures of a belated spring, came with a rush today, three persons being overcome when the thermometer registered 89 degrees at 4 p. m., a new high record for the year. Seven children and one man were bitten by dogs.

With the arrival of summer, city officials are preparing bathing beaches for opening next week.

PLAN PUBLICITY CAMPAIGN FOR C. P.

SPRINGFIELD, Ill., June 4.—To save the C. P. & St. L. railroad from being abandoned, an active publicity campaign by newspapers in communities on its right of way was decided upon today at a meeting of editors and publishers here.

Resolutions were passed protesting against the proposed junking of the line, the newspapersmen decided that the press should urge residents on the route of the road to patronize the line so as to enable it to recoup its finances and continue service.

STATE OF TEXAS ABOLISHES HANGING

Austin, Texas, June 4.—Governor Neff today signed the Thomas bill abolishing hanging as the method of administering capital punishment and substituting electrocution instead.

Mystic Shriners Take Washington

(By The Associated Press)
WASHINGTON, June 4.—The National capitol became today the playground of Nobles of the Mystic Shrine.

Crowds already on hand for the annual convention of the Imperial Council which will begin formally tomorrow, were augmented hourly by new arrivals from North, East South and West, from Canada and even from Hawaii and Panama.

All day and far in the night Pennsylvania avenue was a confusion of noise and color as each arriving delegation marched to its headquarters behind its band. Typical Washington summer weather greeted the visitors and the marchers found that the wide expanse of asphalt on the famous thoroughfare gave back a heat akin to that of the "burning sands" of a desert.

The days arrivals included the automobile caravan from California. There were some 500 cars in the line.

CHARLES E. LOBDELL, CHAIRMAN OF LAND LOAN BOARD, RESIGNS

President Names Kansas Man to Take His Place

(By The Associated Press)
WASHINGTON, June 4.—The resignation of Charles E. Lobdell, as head of the farm loan board was accepted today by President Harding who simultaneously announced the appointment of L. J. Pettyjohn, of Dodge City, Kansas, as Mr. Lobdell's successor. The change will take place June 30 when the retiring commissioner will enter private business in New York.

Mr. Lobdell's decision to retire was not unexpected since it had been known that he desired to return to private business after eight years of public service. Retention of the post by Mr. Lobdell during the last several months was due in a large measure to his desire to see the new intermediate farm credit machinery placed in operation before leaving the government service.

During his term as a member and later as the commissioner of the board, the farm credit system has been developed to the point where more than \$750,000,000 of federal funds is out on land loans thru the farm loan banks and an additional \$350,000,000 has been handled thru joint stock land banks.

CHANGE IN PROHIBITION FORCES IN CHICAGO

(By The Associated Press)
CHICAGO, June 4.—G. A. Simons, formerly connected with the prohibition office of Pittsburgh, Pa., and known as one of the "clean up men" of the federal is expected here tomorrow to succeed John E. Early as chief field agent of the Chicago district. Early's transfer to agent in local general agent, came by order of Commissioner Roy Haynes of the national prohibition force and was, according to acting State Director William D. Moss, due in no way to politics.

"There has been no political influence brought to bear that I have any knowledge of," he said. "It was understood in the prohibition office that the transfer had been contemplated for some time but had been delayed because Mr. Simons until yesterday had not been ordered to report."

Scott McBride, superintendent of the Illinois Anti-Saloon League and other dry leaders, declared they would investigate the transfer in Washington, McBride adding that "if there is anything to be made public we will speak out loud."

Early was appointed January 1 to succeed Guy W. Glinders of Rockford, who resigned because of what he called intolerable conditions. Early was in charge of a recent raid which resulted in the arrest and indictment of Barney Grogan, West Side politician, and John A. L. Cervenaka, city treasurer.

MAKING GOOD WITH THE BURLINGTON

Dwight Kastrop of Omaha, Neb., and his son, Dwight, Jr., were here for a week end visit with Mr. and Mrs. William Kastrop on South Church street. Mr. Kastrop is now assistant to the general freight agent of the C. & B. & Q. railroad at Omaha, that office having charge of freight on the big system west of Missouri. Mr. Kastrop has made good in railroad work and has been promoted rapidly. He can be accounted among young men who have succeeded and honored "the old home town."

RETURNS FROM IOWA

Mrs. R. Kennedy has returned from a pleasant visit with friends in Independence, Iowa. For several years Mrs. Kennedy was a resident there filling a position as supervising nurse in the state hospital.

CHICAGO & EASTERN ILLINOIS RAILROAD MADE FINE SHOWING

Revenues Exceeded Expenses Over \$3,500,000

(By The Associated Press)

CHICAGO, June 4.—Despite decreases both in freight and passenger service, operating revenues exceeded operating expenses of the Chicago & Eastern Illinois railroad by more than \$3,500,000 according to the annual report issued today for the year ending December 31, 1922.

Total railway operating expenses for the year were \$21,134,733.33 as compared with \$24,731,347.86 operating revenue. Gross income after deducting for taxes and uncollectable revenue was \$3,115,257.75.

Loss in freight revenue was due entirely to the coal strike when for five months shipments were stopped the statement said. Coal freight handled in 1922 totaled 5,984,380 tons as compared with 7,528,220 the year previous. Other freight handled in 1922 totaled 5,774,855 as compared with 5,284,478 in 1921.

Although passenger revenue decreased 9.36 per cent passenger revenue per mile increased 8.49 per cent, due to discontinuance of operation of the Chicago and Indiana Coal railway. This was the first annual report, the company having taken possession of its property January 1, 1922.

REORGANIZATION OF PROHIBITION FORCES PLANNED

(By The Associated Press)

NEW YORK, June 4.—Reorganization of federal agencies for prosecution of violations of the Volstead act as a result of the repeal of the Mullan-Gage state enforcement act was begun today by District Attorneys in the southern and eastern judicial districts and the state prohibition director. Plans were laid to increase staffs of prosecutors and enforcement agents and to clear out accumulations of liquor cases.

Federal Attorney Hayward declined to disclose in detail the plans he had made to cope with the situation. There are more than 1,500 liquor cases to be heard on the calendars in his district.

There are less than 50 federal prohibition agents at work in New York City at present it was stated at state prohibition headquarters. Of the 200 men assigned to New York State 100 are used for inspection work and outside New York City, there are 20 at Buffalo and 20 along the Canadian border.

Disposition of liquor valued at \$18,000,000 seized by the police was being held up pending final court directions. It was declared that no liquor would be restored to its former owners unless there was proof that it had been illegally seized.

LEAGUE COMMISSION CONSIDERS ACTION

(By The Associated Press)

GENEVA, June 4.—The league of nations' commission for the reduction of armaments presided over today by Signor Schanzer of Italy took note of the measures of the secretariat respecting armament statistics and the effects of chemical warfare. The commission adopted Colonel Requin's proposal to request the council to ascertain whether it would be possible to invite the eight governments, which were present at the naval conference at Washington to communicate to the commission the views of their experts on chemical warfare.

The commission also took cognizance of the recent action of the council of the league to learn the views of the American government as to its cooperation with other governments for control of traffic in and private manufacture of arms and decided to ask the council to invite other states not members to give their views of the subject. It was decided to hold private meetings hereafter daily.

PEOPLE SPEND LOTS OF MONEY FOR CHEWING GUM

Madison, Wis., June 4.—American people spend more money for chewing gum than they give to the churches, and the money they spend for the movies would support every school and college in the country declared Supreme Court Justice Marvin E. Rosenbury during the course of an address on good citizenship at the First Methodist church here last night.

The speaker declared that the United States is in far greater danger from an invasion of foreign ideas than from an invasion of foreign armies.

R. Y. Gibson residing east of the city was a business manager in Jacksonville Monday.

SIX MONTHS JAIL SENTENCE GIVEN TO BEN NEWMARK

Court Also Assesses a Fine of \$100 Against Him

(By The Associated Press)
WAUKEGAN, Ill., June 4.—Motions to quash the indictments against three men charged with attempting to bribe jurors who tried and acquitted Governor Len Small of conspiracy charges here a year ago, or with having accepted a bribe, were taken under consideration by Judge R. K. Welch today. Judge Welch said he would enter an order in the case tomorrow morning.

Judge Welch also sentenced Ben Newmark, a deputy state fire marshal and a former investigator for the Cook county state's attorney to six months in jail and ordered him to pay a fine of \$100 after he had refused to answer questions before the grand jury investigating the bribery charges. Sentence was suspended for ten days.

Michael Boyle labor leader who was given a life sentence a week ago when he stood on his constitutional rights and refused to give information to the grand jury was given permission to take his case to the supreme court.

David Erstman said to be an ex-convict and who was held in the Zion, Illinois jail for several days after his arrest at the order of A. V. Smith, state's attorney for Lake county who is in charge of the investigation also refused to answer the grand jury's questions when he appeared before that body today and was ordered to appear before Judge Welch next Monday to show cause why he should not be in contempt of court.

The grand jury which reconvened here today and before whom Erstman and others were brought, adjourned until next Monday. Next Monday is the date set for the trials of Eddie Courtney and Eddie Kauffman and J. B. Fields, the latter a juror in the Small trial unless the indictments against them are quashed tomorrow.

Representative William Pierce, Belvidere, appearing today as counsel for Fields asserted that he had been informed that the grand jury investigating the case twice refused to return a true bill against Fields, and did so only after State's Attorney Smith had insisted on this in order to get some others.

Mr. Pierce maintained that the grand jury had been unduly influenced. Judge Welch said that grand jury action could not be impeached, but David Webb, foreman of the grand jury that indicted Fields was finally put on the stand for questioning about the indictment voted against Fields. The state's attorney objected to all the questions asked Webb and was sustained by the court with the result that Webb was allowed to give no information.

THREATENED STRIKE HAS BEEN DELAYED

(By The Associated Press)
CHICAGO, June 4.—Chicago's transportation will be uninterrupted for a day or two at least, it was indicated tonight when a meeting of surface lines employees called to decide on taking a street car strike vote delayed definite action until another conference with Mayor William E. Dever tomorrow.

The delay action was taken on a resolution introduced by an official of the surface union and although it was booed and hooted by the assembled employees when placed before the meeting enough men hoping for an eleventh hour settlement voted for it to put it over.

Elevated employees have put off strike action until next Saturday when it is expected the surface men will either have voted to strike or arranged a settlement.

POLICE RESCUE TAXI DRIVER

(By The Associated Press)
CHICAGO, June 4.—Two squads of policemen were called out tonight and were forced to chase their clubs freely in dispersing a crowd of several hundred men and boys who attacked James Vani, 24 years old, a taxi-driver after he had struck a five year old boy. The crowd, led by the injured lad's father attempted to drag Vani from his taxi and into the boy's home. Two arrests were made. Doctors said the boy's injuries were not serious.

DEAN OF CIRCUIT JUDGES IS DEAD

Chicago, June 4.—Judge Thomas G. Windes, dean of the Illinois Circuit Court, died late tonight at his home in Winnetka at the age of 75. Judge Windes had occupied the bench for more than 31 years, seven of which he spent as one of the jurists in the appellate court.

ONE OVERCOME BY HEAT IN NEW YORK

New Rochelle, N. Y., June 4.—The first death from the heat recorded here, occurred today when John Rapp, 61 years old, a gardener, died while at work. He is survived by a widow and three sons.

FOREIGN LANGUAGE LAWS VOID RULING OF SUPREME COURT

Opinion Says Cannot Prohibit Teaching in Public Schools

(By The Associated Press)
WASHINGTON, June 4.—State statutes which would prohibit the teaching or use of foreign languages in all schools below the eighth grade were declared void by the supreme court today as an unlawful encroachment upon the rights conferred by the fourteenth amendment which provides that "no state shall deprive any person of life, liberty or property without due process of law."

Justice Holmes delivered a dissenting opinion in which Justice Sutherland joined. The question was presented to the court in cases coming from Iowa, Nebraska and Ohio. Eighteen other states with similar statutes participated.

Justice McReynolds who delivered the majority opinion asserted that the fourteenth amendment without doubt denotes "not merely freedom from bodily restraint but also the right of the individual to contract to engage in any of the common occupations of life to acquire useful knowledge, to marry to establish a home and bring up children to worship God according to the dictates of his own conscience, and generally to enjoy those privileges long recognized as common law as essential to the orderly pursuits of happiness of free men."

This liberty, the court added cannot be interfered with under the guise of protecting the public interest by legislative action which is arbitrary or without reasonable relation to some purpose within the competency of the state to effect.

"That the state," Justice McReynolds declared, "may do much, go very far indeed, in order to improve the quality of its citizens, physically, mentally and morally, is clear, but the individual has certain fundamental rights which must be respected."

IOWA SOLDIERS RECEIVE BONUS
(By The Associated Press)
DES MOINES, Iowa, June 4.—Iowa soldier bonus warrants were mailed to 5,500 former service men today. They carried orders on the state treasury for about \$1,100,000.

State Auditor Haynes announced tonight that a like number of warrants will be mailed to world war veterans daily until all ex-service men who are entitled to the Iowa bonus have been paid.

The first bonds exchanged hands late this afternoon. J. Ross Lee, vice president of the J. Ross Lee, Techtel company of Davenport, Iowa, carrying the bond syndicate which purchased the \$22,000,000 issue paid State Treasurer Burbank \$7,100,000 and received in return state bonds for that amount.

The bond syndicate will turn over to the state treasury at least \$550,000 daily until the entire amount has been paid.

BANDIT KILLED IN ATTEMPTED HOLDUP

(By The Associated Press)
HERRIN, Ill., June 4.—Ezra Fowler of Pittsburgh, Ill., was shot and killed last night when he attempted to hold up a gambling resort, four miles southeast of here. Ralph Hill, who was the resort refused to comply with Fowler's command to hold up his hands and Fowler shot him in both legs. Falling to the floor Hill returned the fire killing Fowler instantly.

Hill was taken to a hospital where it was said he probably would recover.

Ray Cline, Neil Hofstetter and Earl Fox were among the Sunday visitors from Virginia.

WEATHER

Why, in this age, are locomotives still equipped with cowcatchers instead of automobile bumpers?

ANOTHER ARMS PARLEY

There are reports from Washington that President Harding contemplates calling another conference of world powers before long to consider the further limitation of armament. It would deal expressly with aviation, a branch of military service which, along with armies, was ignored by the last conference.

It would be a natural extension of the arms limitation idea. It was recognized by almost everybody who followed the proceedings at Washington a year ago last winter that the restriction of naval power was only the first step toward a complete program.

It has often been said that the powers gave up very little in giving up battleships, because the progress of aviation has made huge water craft more and more liable to destruction by bombing planes. It was largely for this reason, no doubt, that the leading naval powers were so willing to curtail their building operations.

It is noticeable that as they stop building warships, they embark on more ambitious aircraft programs. There is already in progress a competitive struggle to create air navies comparable to the costly naval competition from

which the powers are just beginning to emerge.

Clearly, if warfare is ever to be stopped by eliminating powerful fighting equipment, the reformers will soon have to tackle aircraft. The United States, from principle and precedent, would be a natural leader in this effort.

The chief cause of delay in the calling of the new conference is said to be France, which has not yet ratified the naval limitation treaty. If that were done, the movement could start. Also, if that were done, France would gain immensely in American confidence and good will.

FREE SPEECH

There has been little criticism and much praise for the award of the Pulitzer prize for the best editorial of the year to William Allen White of Kansas, editor of the Emporia Gazette. Other editors willingly pay homage to both the theme and the treatment of it by one of the masters of the editorial art.

The theme was freedom of speech, for the defense of which the editor had been arrested in a case which gained national fame. He proved his legal right to print frank criticism of public men and their acts, and then wrote his remarkable editorial, "To an Anxious Friend."

This friend was a conservative who worried about the peril to American institutions from radical utterances. Gently and eloquently Mr. White rebuked him, saying in part:

Only when free utterance is suppressed is it needed, and when it is needed it is most vital justice. Peace is good. But if you are interested in peace through force and without free distinction, your interest in justice is slight. And peace without justice is tyranny, no matter how much you may sugar-coat it with expediency.

"So, dear friend, put out of your heart. This nation will survive, this state will prosper, the orderly business of life will go forward, if only men can speak in whatever way is given them to utter what their hearts hold. Reason never has failed men. Only force and suppression have made wrecks of the world."

NEW BUILDING ON SOUTH MAIN

Work begun on commodious structure for E. C. Roach and William W. Wright

Materials are being assembled and ground broken for a new building to be erected on South Main street. The building, which will be 60 by 80 feet in general dimensions, is being erected jointly by E. C. Roach and William W. Wright. The lot was formerly owned by the Stryker estate and is just north of the Babb garage.

The north room, 30 by 80 feet, will be the property of Mr. Roach and will be used to house his printing establishment, now located on East State street. Mr. Roach has been in business in the city for 23 years and has had a growth that now justifies the commodious quarters which are being provided.

The south room will be of the same dimensions as that already described and owned by Mr. Wright, who expects to lease it for an automobile display room or some similar line of work. The double building will be of brick, concrete and steel construction and quite an addition to South Main street.

EMPHASIZED NEED FOR I. W. C. FUNDS

Brief Address Made at Meeting in Centenary Church Sunday Night

At Centenary church Sunday night Dr. W. R. Wedderspoon of Chicago preached a sermon from a text found in Psalms, "In this will I be confident." The gospel sermon proved an appropriate introduction for confident statements with reference to the bi-conference campaign for funds for Methodist institutions, among them Illinois Woman's college.

After the sermon Mayor E. E. Crabtree made a brief explanation of the movement, the plan of the work, which has been under way for weeks past. It is the purpose to bring the campaign to a successful conclusion by July 3.

Brief voluntary remarks were made by a number of persons in stressing the importance of the campaign and what the Woman's college means to this community. Mayor Crabtree spoke along this line and others who bore testimony to the value of the college and to the work of Dr. Harker were Mrs. Belle Short Lambert, Dr. C. E. Welch, Rev. E. L. Pletcher, Rev. T. H. Tull, Rev. D. Robertson, Dr. A. B. Applebee and H. J. Rodgers.

Mention was made by Mayor Crabtree of the hope to raise \$100,000 toward the campaign among the friends of the college in Jacksonville and Morgan county.

EPWORTH LEAGUE ELECTS OFFICERS

The annual election of officers for the Epworth League of Grace church took place Sunday evening. Following the election, the officers were installed with the ceremonies appropriate to the occasion. Rev. T. H. Tull served as installing officer. The election resulted as follows:

President—Ross Bracewell. First vice president—Helen Hansen. Second vice president—Grayce Rexroat. Third vice president—Edna Osborne. Fourth vice president—J. L. Read. Secretary—Margaret Fay Hoppe. Treasurer—Ellsworth Scott.

ATTENTION K. OF C. Special meeting tonight 7:30 o'clock. Business of unusual importance. Membership committee and all committees on initiation are requested to be present. Big attendance desired.

FINISHES COURSE AT EASTERN MUSIC SCHOOL

A number of Jacksonville people will be interested in knowing that Miss Laila Skinner of Buffalo, N. Y., a former student at the College of Music and a pupil of Mrs. Coleman, has recently graduated from the Eastman School of Music at Rochester, N. Y. Miss Skinner, who is a finished musician, has been a pupil of Pierce Angusac.

Mrs. W. Gibson of Franklin visited Jacksonville yesterday.

CHILDREN'S DAY AT CONGREGATIONAL

Interesting Program Carried Out Sunday Morning in Observance of Annual Children's Day

The Children's Day program which was given at the Congregational church Sunday morning was one of the most interesting which has been given locally in a number of months. The decorations were especially attractive, a great profusion of flowers being used. Across the front of the platform a low wire screen had been fastened. This was trimmed with greenery, and as the children entered in the procession each carried a lovely bouquet of flowers.

The flowers were handed by the children to Mrs. Green and Miss Elizabeth Johnson, and by them placed in the screen.

Some of the cradle roll children and their sisters dressed in flower costumes representing meadow flowers were especially attractive. All of the little tots of the cradle roll, beginners and primary were as cunning and unaffected as usual, and all did their parts in a way which delighted the audience.

The baptismal service for three cradle roll babies was impressive. At this time Robert Harlan Caldwell, Edith Helen Carter and Mary Margaret Lair were christened.

As Miss Edith Tholen was called away Friday afternoon, Miss Caroline Doane prepared the story to tell to the children and told it most interestingly.

The missionary program which was given by several of the Junior and intermediate boys and girls, was one of the typical missionary programs given in the church school.

For two years the school has been an honor school, fulfilling the requirements laid down by the Congregational Missionary Education committee.

Among the requirements are the monthly missionary programs, a systematic benevolence plan with individual pledges, missionary reading by 10 per cent of the pupils. Last year the school had a per cent of 47 in giving, and in reading of missionary books a per cent of 24 instead of the required 10 per cent.

Following the missionary program the collection was taken by four of the junior boys, which proved to be a most substantial offering toward the Sunday school extension work of the Congregational denomination.

Superintendent Scott announced the names of those members of the Pilgrim Legion who have held their membership three years. They are: Elizabeth Johnson, Elizabeth Scott, Laura Scott, Caroline Doane, Abbie Lee Young, James Merrill, Josephine Milligan, Edith Palmer.

Those who won the membership last year and have retained it this year by keeping up to a grade of 90 per cent or above, making them members for two years: Mary Linderman, Bruce Milligan, William Milligan, Paul Bussey.

Honorable mention: Virginia Terhune, Dorothy Terhune, Jean Terhune, Virginia Linderman.

Baby Chicks, 12c. Phone 1875-W.

Grace Church Doings

In the Sunday school, special effort is being made to get out a large representation of the school for the Great Protestant Church Picnic to be held on the seventh. Plans are under way for the observance of Children's Day with a special program, the definite date to be announced later. There were 354 in the Sunday school and the Centenary offering amounted to \$35.26.

Dr. Wedderspoon occupied the pulpit at the morning service, preaching the Baccalaureate sermon for the graduating class of the Illinois Woman's college.

Junior league met at 4:30, the Intermediate and Senior leagues at 6:30. There was no evening service. The union services of the Methodist churches being held in Centenary church were Dr. Wedderspoon again preached.

The regular monthly meeting of the official board will be held on Monday evening.

The Woman's Foreign Missionary society will meet in regular meeting on Wednesday afternoon in the church parlors. The following will be the hostesses: Mrs. P. H. Phipps, Mrs. A. B. Applebee, Geraldine Mounts, Mrs. J. E. Osborne, Mrs. A. T. Capps, Mrs. Clarence York, Mrs. A. G. Dunlap, Mrs. Shoemaker and Mary George.

The Young Women's Fellowship Circle will meet at the church on Wednesday afternoon at 5:30. From there they will go on a picnic.

The regular mid-week prayer service on Wednesday evening at 7:30. Come out and enjoy these inspirational meetings.

Baby Chicks, 12c. Phone 1875-W.

General Pershing had the Shrine convention come to him, as it were, since Washington is his official residence. He's a member of the Sesotri Temple, Lincoln, Neb.

SCHOOL BOARD WINDS UP LABORS OF TERM

Appoint Two New Teachers to Fill Vacancies—Approve Nichols Foundation—Annual Attendance Report Submitted by Superintendent

The concluding meeting for the present school year was held by the board of education last night. The resignation of Miss Ethel Wylder as physical training instructor in the Junior high school was accepted, and Miss Maude McDaniels of Indianapolis was appointed to take her place. Miss McDaniels spent one year as a student at Illinois college, and for the past two years has been in a special normal school of physical training, from which she receives her degree during the present commencement season.

The board also accepted the resignation of Reuben Fletcher as teacher of high school mathematics and appointed in his place Miss Ruby Baxter, who comes from three years' practical training experience in the high school at Danville. The board authorized the fitting up of a room in the Jefferson building for the use of the free kindergarten next year. The kindergarten has received a bequest of several hundred dollars with which it is intended to resume operations.

S. W. Nichols was present at the meeting and asked that the board approve his foundation for the distribution of Christmas presents among the needy children of this city the approval was given. Supt. Shafer has offered to see to the distribution of the presents at the proper time.

The superintendent submitted a financial report of the manual training department and of the print shop. Each showed a slight balance in favor of the board. The money which was appropriated to these departments at the beginning of the year was wisely used by students and teachers. Both shops paid their own way during the year and showed a small balance in equipment and cash on hand. The print shop has cut the printing bill of the board of education by about \$300.

The board voted to purchase a new motorized sewing machine for the sewing department of the school. It was thought more expedient to purchase a new machine than to try to attach a motor to one of the machines in present use. Superintendent Shafer submitted the monthly and the annual reports of attendance in the city schools, which read as follows:

Enrollment. Yearly 2646 Monthly 2345 Daily 2281 Average daily attendance 2206.2

Health Report. Visits to schools and agencies 154 Visits to homes 68 Defects corrected 16 Hours spent in clinics 47 Pupils examined 47 Health talks in schools 28 Inspection of contagion 461 Exclusions 7 Dressing and treatments in school 14 Temperatures 3 Weighed and measured 825

Attendance Department. WEDDERSPOON SPEAKS TO I. W. C. GRADUATES

Impressive Baccalaureate Service at Grace Church—Speaker Talks on Law of Imports and Exports

An impressive baccalaureate service in honor of the Woman's college class of 1923 was held Sunday morning at Grace church. Music was furnished by the choir, with Mme. Elma Toft Colard as soloist. Mme. Colard was accompanied by Miss Beatrice Horsbrugh on the violin.

The scripture lesson was read by Rev. C. D. Robertson and prayer was offered by Rev. G. W. Randle. Dr. J. R. Harker, president of the college presided over the services and delivered a solemn closing address to the graduates.

The sermon was delivered by Dr. William R. Wedderspoon, pastor of St. James' M. E. church in Chicago. He discussed the law of imports and exports as it relates to human life, taking his text from Daniel and Revelations: "Daniel opened his windows toward Jerusalem. I have set before them an open door which no man can shut." The open windows signify the open and receptive avenues of the mind, heart and soul. The open door is symbolic of the door of opportunity, thru which those who are fitted may go to a larger life.

The speaker emphasized the fact that only those who have imported richly into their lives the things which make for wholesomeness and high idealism, can really export when the demand is made for service and giving.

He warned the young people of the city, saying that the rush and stir stops imports into the mind and heart and calls constantly for large exports of time, energy and service.

In closing his years of association with the class, Dr. Harker spoke briefly of the selection of these young women for special privileges. They have training and have enjoyed the opportunities for education which it is the privilege of only one girl in twenty-five in this country to receive. The reason for this choice of these members of the senior class, he explained, is found in their increased opportunities for service.

Following is the program of the baccalaureate service:

Prlude, Grand Choir in D, Wachs—Henry Ward Pearson. Hymn—Come Thou Almighty King. The Apostles Creed—Audience. Invocation—Rev. G. W. Randle. Response—Sevenfold Amen, Stainer. Anthem—Comes at Times a Stillness.

Scripture Reading—Rev. C. D. Robertson. Solo. Largo Handel—Mme. Elma Toft-Colard. Violin. Obligato by Miss Beatrice Horsbrugh.

Responsive Reading—Led by Rev. T. H. Tull.

Offertory, List the Cherub Host, from the Holy City, Gaul.

Announcements.

Hymn—We May Not Climb the Heavenly Steps.

Sermon—Rev. William R. Wedderspoon, D. D.

Hymn—My Bark Is Wafted to the Strand.

Benediction.

Postlude, Marche Sortie, Dubois—Mr. Pearson.

FOR SALE

Jacob Cohen's Sons Phone 355

Telephone Talk No. 20

Selling Service

A telephone company sells service. It does not sell or rent telephones.

The instrument in your home or office is of use to you only by reason of the service rendered. The bill you pay is distinctly a service charge.

Am telephone service is different from other services. If your neighbor's gas supply is defective, his lighting poor, or his water supply inadequate, you are not affected. These annoyances concern only himself and his household. But if his telephone is out of order and you cannot reach him when you call, or if he makes you wait long before he answers, YOUR telephone service is unsatisfactory.

Thus the service of any telephone user may be rendered unsatisfactory by the habit or act of another.

In the interest of good telephone service, we suggest the observance of the following simple practices:

Respond promptly when the bell rings. Make sure before calling that you have the right number by consulting the telephone directory first.

Speak distinctly, with the lips close to but not touching the mouthpiece.

When answering give your name or the name of your firm—cutting out "Hello."

**MOLLENBROK
& McCULLOUGH****Great Leviathan Will Sail 4th of July**

Over Million Pounds of Copper and Brass Used in Her Rebuilding—Flying Stars and Stripes, World's Largest, Most Beautiful Ship.

FOURTH OF JULY this year will have an added significance in American history. On that day, the reconstructed Leviathan, which a year ago was a rust-scathed hulk, sails on her maiden trip as Queen of the Seven Seas, reborn under American hands, now an oil burning searacer, probably the fastest passenger ship afloat, with a

A Regiment of Men, Working a Year, Have Transformed the Leviathan.

tonnage in excess of the majestic, which recently held the palm.

The transformation of the Leviathan has been under way for almost a year at the Newport News Ship Building plant at the mouth of the James River, near the site of the first English settlement in America and near the scene of the beginning of another earlier shipbuilding era when the Yankee Cheesecake fought the Gunboat Merrimack.

The original plans of the Leviathan were held by the Germans at \$1,000,000, so Uncle Sam drew his own and they fill a book of 1,024 pages. Then the contractors put about 2,800 men to work, and out of a rusty chaos

there grew the present wonder vessel.

Memories of the troubles the engineers had during the war with the Germans' iron lubricating pipes were recalled and every means taken to guard this beautiful vessel from the destructive action of rust.

In all, over a million pounds of copper, brass and bronze were used in her remaking. From her great bronze propellers, to the 25 miles of copper tubing used in the steamroom heater system, the 745,000 feet of copper wire in the lighting system, all copper salt water pipes in the plumbing and 2,146 pounds of brass in the condensers, the ship has been made rust-proof with copper and brass.

A new idea of the great size of the Leviathan can be gained from the fact that her copper heating coils alone exceed by 50,000 pounds the weight of the 200,000 pounds of copper in the Statue of Liberty.

Picture a great, modern, sumptuously furnished hotel, made more spacious with great promenades, galleries and lounging rooms. Imagine it spread out to the length of nearly four city blocks, and then duplicated twelve stories high, and the whole open on all sides to the clean breezes of the sea. That is a pen picture of the Leviathan, greatest ship of all time. She will sail for Southampton on the Fourth of July, under the Stars and Stripes.

**WOODSON PLANS FOR
CHILDREN'S DAY**

Committees at Work on Program for Next Sunday to be Given by Presbyterian and Christian Churches—Othe Woodson News

Woodson, June 4.—The Sunday schools of the Presbyterian and Christian churches are to unite in their annual Children's Day observance. The program is to be given next Sunday at the Christian church, and promises to be one of more than usual interest.

The general committee on arrangements includes Mrs. N. H. Crain, Mrs. R. H. Jones, Mrs. George Cunningham, Rev. A. E. Powell, Mrs. Carl Gordon.

Other committees are given below:

Decorating—Young ladies of Mr. Baxter's class in the Presbyterian Sunday school and the young ladies of the class taught by Mrs. Nettie Ezard.

Music—Miss Sadie Butler, Mrs. William Fanning.

Training (elementary department)—Mrs. N. H. Crain, Mrs. A. E. Powell, Mrs. Carl Gordon.

Training (junior intermediate)—Mrs. Chester Colton, Miss May Cooper.

News Notes.

Dr. G. W. Miller returned Saturday night from a week's visit with relatives in St. Charles, Mo.

Quid, a number from here attended the memorial exercises at Murrayville Sunday. The Woodson band furnished the music for the occasion.

The missionary society of the Christian church will meet next Friday afternoon at the church.

Thursday is the regular meeting day but it was determined to meet a day later this week on account of the Protestant picnic Thursday.

Amos Hartney went to Chicago Friday night and returned Sunday night. He went for the purpose of attending a reunion of some of the young men with whom he was in the overseas service during the world war. The meeting was one of the first this particular group of ex-soldiers has had and was an occasion of very special pleasure to all of them.

The two Woodson churches will send quite a delegation to the

Morgan county Protestant picnic Thursday.

Albert Kieh, who has been visiting his parents in Woodson returned Sunday to Mexico, Mo.

Mr. and Mrs. John Owens and family of Beardstown were visitors with Woodson friends Sunday.

Albert Hoagland, who was a patient at Our Saviour's hospital in Jacksonville for the past several weeks, was able to return to his home Saturday.

**FRANKLIN BOY IN
CRITICAL CONDITION**

Three Year Old Clarence Shirley of Franklin Accidentally Shot in Head by Cousin—Is at Passavant Hospital.

Clarence Shirley, little son of Mr. and Mrs. Fred Shirley of Franklin, is in a critical condition at Passavant hospital. The child was accidentally shot in the head Monday morning by his cousin, Wayne Seymour, who was shooting sparrows in the back yard of his home which adjoins the Shirley home.

The bullet from the .22 rifle entered the child's head just above the left ear. An X-ray picture which was taken later revealed the fact that the bullet had lodged in the brain.

The accident happened at about 10 o'clock Monday morning. The little boy was behind some bushes in his own yard and was not observed by his cousin in the adjoining yard, and the unfortunate accident resulted.

The injured boy was at once brought to the hospital here by Dr. M. D. Henderson of Franklin. It was reported last night that he was holding his own, but Dr. W. P. Duncan, the attending physician here, stated that the outcome of the case will be in doubt until danger of infection is past.

ORLEANS COUNTRY**CLUB TO MEET TODAY**

The regular meeting of the Orleans Country Club will be held this afternoon at the home of Mrs. Frank Drury near Orleans. There

will be two papers presented this afternoon. One will be by Mrs. Lucille Curry, who will discuss "Housework and Table Setting." Mrs. Lillian Cox will have the other paper, her subject being "Time Saving Cooking Hints." There will be several instrumental and vocal numbers by Mrs. Elizabeth Drury, and the usual social hour will follow the program.

Mrs. A. L. Vandever of Edinburg, Ill., mother of Mrs. Hiram Drury, will be among the guests. Mrs. Vandever is spending a number of days at the home of her daughter in the Orleans neighborhood.

Mrs. George Kelly of Pittsfield is visiting Mr. and Mrs. Lewis Kelly and family of this city.

PETITION ACTS AS BOOMERANG

(By The Associated Press)
NEW YORK, June 4.—Mrs. Julia A. Wheelock, widow of George A. Wheelock, one president of the American Turf association and former wife of Norman Selby (Kid McCoy) today heard her own petition to have Wheelock declared incompetent read against her in an effort to break the horseman's will in which he left her his \$500,000 estate. The suit to break the will was brought by Mrs. Mary Elizabeth Griffith of Granite City, Ill., a sister of the testator. The contested will was

dated January 12, 1922. On March 22 of the same year counsel for Mrs. Griffith said Mrs. Wheelock contended in a petition to the supreme court that her husband had been unable to manage his affairs for the preceding six months. As a result of Mrs. Wheelock's petition, he said, Wheelock was declared incompetent.

HOME AFTER TRIP TO THE WEST

Ensley Moore has returned home from a business trip to Sioux City, Iowa, and Wayne county, Nebr. In the latter state Mr. Moore spent several days with his son, George Moore and family and found them well.

GERMANS EVINCE GROWING CONTEMPT FOR PAPER MARKS

Hamburg—Contempt for Germany's depreciated paper money seems to grow daily, and the public has lost sense of its value. A gust of wind recently blew five one-hundred-mark bills from the counter of a local marketman. A courteous woman picked them up and offered them to the owner. "Keep them," the man remarked gruffly. "What can I do with 500 marks?"

PAVEMENT BIDS OPENED MONDAY

Bids were opened Monday afternoon by the board of local improvement for the North East street and Independence avenue pavements. The lowest bid presented was that of \$38,373.62 by the Standard Paving Co. of Chicago.

The other bids received were the White Construction Co., \$41,910.86 and the Commonwealth Improvement Co., \$42,105.02. The contract was awarded to the Standard Paving Co., subject to the approval of City Attorney Belatti. Mr. Thatcher of the Standard Co. came to Jacksonville to be present when the bids were opened.

BRIDAL PARTY IS POISONED
New York, June 4.—A bridegroom and five of his guests who were taken to a hospital last night after having been stricken with ptomaine poisoning at the wedding feast, were able to return to their homes tonight. An analysis of chicken salad served at the wedding party was being made by city authorities.

Four other persons, a mother and three children were taken to a hospital tonight after having been stricken with ptomaine poisoning from chicken friacas. They were reported to be in a serious condition.

Mr. and Mrs. J. E. McDonald spent Sunday with relatives in Greenfield.

Saved From the Stake

By MORRIS SCHULTZ

Eben, the young colored man, was crossing the road resplendent in his new waistcoat, when he got the first intimation that the chase was on. A woman screamed on the hillside. A little group of harvesters stopped their work and stared. "There he is, boys!" he heard a man shout.

And in that instant Eben, dreaming of the yellow girl he was going to see, was converted into a hunted fugitive.

A rider, coming along the road, dug his heels into his horse and rode at him, shouting. There was not an instant to lose. Eben dashed for the canebrake and plunged into it.

As he ran he could hear the shouts behind him. He ran with all the fury of despair. He knew that his pursuers were gathering. The whole countryside would be upon him in a few minutes. Looking back, he could see the hillside black with people. They would seek bounds upon him.

The fear of the dogs lent Eben wings. He dashed toward the river, in the hope of throwing them off the scent. He struggled through the cane, which were already rippling his new clothes to tatters. His new hat was gone, and the sweat was pouring down his face. His eyes were wide and staring, the eyes of the hunted animal.

He reached the river, plunged in, and, wading up to his neck, struck along the further bank. From here he could see his pursuers gathering a posse on horseback. They were galloping along the road. They had suspected his maneuver. They were going to cut him off at the ford.

Eben scrambled up the opposite bank and dashed for the shelter of the forest. At that moment his pursuers gave tongue behind him.

He had been seen. He wished that he had stuck to the cane. There were only scattering clumps of palmetto among the pines. Still he ran on, panting, hardly human any more, animated only by the wild thought of escape.

They would burn him to death if they caught him. And in imagination he saw the lighted fagots, and heard the hiss of the tongues of flame curling about his limbs.

He ran on frantically. For a few minutes he thought he had outdistanced his pursuers. He stopped panting, upon a little hammock. Then suddenly a renewed clangor burst out behind him. He saw the group of horsemen spurting through the trees. A shout went up, the shout of the pursuers when they sight the quarry.

Eben ran. He ran like a blind man, stumbling and dashing aside the palmetto clusters. He ran in plain sight of the mob. He had a vision of horsehoofs raised above him. He was struck down, trampled upon. Whips curled about him. He was at bay, fighting with teeth and limbs.

He was helpless, looking up with a strange calm into the faces of these men. He saw death in them. He feared no longer.

He was being taken back, running like a dog, with bound wrists, at the side of a galloping horse. He had been driven through the water, back along the road through the cane. Now he was in the open street of the village, and about him bayed a hundred infuriated men. It was like a dream. And Eben was afraid no longer. He was very calm.

They were bringing fagots, oil cans, kindling wood. A stake had been driven into the ground, and Eben was being chained to it. Still he was not afraid.

What were they howling at him? Confess! Confess! Was that what they wanted.

"Yes, I shored done it," he heard himself saying. "I shored done it, and now I'm going to glory. Hallelujah!"

A roar of triumph from the crowd. He'd done it. He had confessed. "What did he do?" a man was asking another. "Oh, I dunno!" came the reply.

They were drenching the fagots with oil. Then the sheriff came bursting through the crowd. "Sheriff, you won't take him!"

"But he ain't done nothing, boys. What's he done?"

"Why—why—"

Nobody in the crowd knew what he had done. A man had heard a woman screaming.

"Pshaw, that was Mrs. Lindenfels! she was calling to her kid!"

Stupefaction. "But he's confessed!"

"Pshaw, of course he's confessed! He dunno what he's confessed to. Hey, Eben, what was it you done?"

"Me? I dunno, Sheriff. I'm going to glory. Hallelujah!"

"You see, boys," said the sheriff. Eben was unchained. The mob melted sheepishly away. A broad grin spread over Eben's face. Then he looked at himself and sighed. He couldn't go to see Nancy till he'd spruced up a bit.

WOULD HELP HEMP
Manila.—The department of agriculture is going to help the hemp growers of the southern islands. It will determine which varieties of abaca plants are best suited for given localities, and make them easily available to the growers. Some plants give 90 percent efficiency; others only ten.

Hemp production in 1922 exceeded that of 1921 by 500,000 bales. Nineteen twenty-two saw the harvesting of 1,209,988 bales of 270 pounds each.

FIX PRICE OF ICE CREAM SODA
Chicago, June 4.—Fifteen cents is a fair price for an ice cream soda in Chicago, Joseph Rushiewicz, recently named secretary of the city council high costs committee asserted in a statement today after an investigation of the ingredients of this concoction. Russell J. Foole, his predecessor, had held that ten cents was a fair price.

Mr. and Mrs. David Mawson of Murrayville were local shoppers Monday.

Mr. and Mrs. Charles Nichols and Mr. and Mrs. James Alkins spent Sunday in Springfield.

BARCELONA SYNDICATES SHOW BITTER ANIMOSITY

Barcelona.—Terrorism has broken out afresh in Barcelona after a period of comparative calm. Both the Unified and Free Syndicates are participating in frequent assassinations, the victims being generally prominent members of the opposing societies. Hitherto the assassins have succeeded in escaping scot-free.

In face of this fresh outbreak the authorities are placed in a difficult situation. For many years the system of suppressing the workers' unions was tried, but during all this period the murders continued. The Premier Sanchez-Guerra announced the restoration of the constitutional guarantees, thus giving the workers the right of association.

For a time there was a slackening of the flood of crime, but now it has assumed its old volume and nearly every day or night a terrorist outrage, usually fatal, is recorded.

The two workers' syndicates, since civil law again has been restored, show just as much hostility to one another, and the third element—that of the employers—which also is accused of using terrorist methods, displays equally little evidence of coming to terms.

PLEADS GUILTY TO CONSPIRACY

New York, June 4.—Three stock brokers, William Herman, Henry Spitz and James Graf, accused of conspiracy in connection with their manipulation of the curb market, pleaded guilty in general sessions today. Judge McIntyre will impose sentence June 18th. The charges grew out of their alleged attempt to rig the curb market and drive up the price of California crushed fruit from 36 1/2 cents a share to \$7 in December 1921. They are members of the now defunct brokerage firm of Graf & Co.

Scientists say we are never nearer death than when we sneeze, the act causing a momentary convulsion of the brain.

DAILY VACATION BIBLE SCHOOL TO OPEN ON JUNE 11

The regular semi-monthly meeting of the Ministerial Association was called to order this morning at 9:30 o'clock, by the Rev. W. H. Harbach, in the absence of the Rev. G. E. Stickle, the president, who is acting as chaplain for a group of Boy Scouts at Mercedia this week.

The Methodist ministers were also absent on account of the annual meeting of trustees of Illinois Woman's College, which was in session today. Plans were matured for another session of the Daily Vacation Bible School this year. The date set for the opening of the school is Monday, June 11th.

The Primary Department will consist of pupils ranging in age from 6 to 14 and will be held in Grace M. E. church, under the principalship of the Rev. T. H. Tull.

The Junior Department will include the ages of 9, 10 and 11 and will be held in the Christian church, in charge of the Rev. M. L. Pontius; and the Intermediate Department will be in the Baptist church, in charge of the Rev. A. P. Howells, including the ages of 12, 13 and 14. In this department, Mr. Ben Roodhouse, Sunday school superintendent of the Christian church Sunday school will have charge of the work.

The Primary Department has been eliminated for this year. In other departments, other teachers still remain to be selected, but the Association voted to endorse the movement and support it in every way.

It was also decided to begin the outdoor summer Sunday night program on June 24th, which will continue until the Chautauqua season opens. To make arrangements for these services, T. W. Smith was appointed committee on platform; W. E. Spoons on lighting; A. P. Howells

on Piano; M. L. Pontius on bleachers and seats; and W. E. Harbach on music.

All the churches in the city are invited to cooperate in these services and it is expected to make them of unusual interest this year. It is planned.

Misses Alice and Maude Criswell were Monday shoppers from Franklin.

ADMINISTRATOR'S NOTICE
Estate of John M. Hohmann deceased. The undersigned, having been appointed Administrator of the estate of John M. Hohmann late of the County of Morgan and State of Illinois, hereby gives notice that he will appear before the County Court of Morgan County, at the Court House in Jacksonville, at the August term on the first Monday in August next at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All persons indebted to said estate are requested to make immediate payment to the undersigned. Dated this 4th day of June A. D. 1923.

Charles M. Strawn Administrator
J. Marshall Miller Attorney.

Shadow 50 miles long, thrown by Mount Rainier, recently fell over the city of Tacoma, Wash., nearby.

Birthday Party for Three Year Old Girl.
Mrs. A. M. King gave a children's party Monday afternoon at her home, 812 West state street, the affair being in observance of the third birthday of her little daughter, Allen Emily King.
Twenty-eight children were invited to the King home and spent an hour or two very happily with games. Attractive little favors had been provided and the refreshments which were served by the hostess were of a kind which delighted the small guests.

W. W. Guild Met Monday.
The World Wide Guild of the First Baptist church held their regular meeting at the church Monday evening beginning with

a banquet at 6:30 o'clock in charge of Miss Louise Guyette, after which the regular business was transacted.
Mrs. Weber was in charge of the devotionals, and Miss Shreve, Miss Long and Mrs. Weber offered prayer. This was followed by the secretary's report and the treasurer's report showing a balance of \$25.08 in the treasury. Miss Ruth Fuller was accepted into the society.
Discussion of the lesson was led by Miss Ada Vansey who was assisted by Miss Carrie Spies and Miss Maude Ryman.

Entertain Guests at Tea Tray Monday.
Dr. and Mrs. E. L. Fletcher entertained last evening at the Tea Tray in honor of Mr. and Mrs. Ira B. Blackstock of Springfield and Rev. and Mrs. C. R. Morrison of Savoy. Mr. and Mrs. Blackstock are trustees of Illinois Woman's college, and Rev. Morrison is the conference visitor at the college during the commencement season. Miss Louise Fletcher was also a member of the party at dinner.

Clean white paper, bearing no printed matter, is to be compulsory in Paris shops for wrapping meat, cheese, or any other moist food.

COUNCIL TO TACKLE TRAFFIC PROBLEMS

Committee of Citizens Recommending Law Changes Will Meet With Aldermen—Economy to Be Stressed on All Departments—Officers Report

At the session of the city council held Monday night the report recently transmitted by the chamber of commerce traffic committee was received and considered. After some discussion and at the suggestion of Mayor Crabtree, it was decided to invite the subcommittee which prepared the plan and report to meet with the council Monday, June 18, for the further discussion of traffic affairs.

This action was taken because the council realizes that most careful consideration should be given the matter before the new ordinance is adopted.

A report was presented by Alderman A. D. Fairbank, chairman of the finance committee, showing the amount budgeted for each department and the amount expended during the first five months of the year. This led to a statement by Mayor Crabtree that while he realizes the greater part of city expenditures are absolutely necessary, that the problem for the council during this year and next is to reduce expenditures, with the amount of eventually lowering the amount of taxes that it is necessary to anticipate.

At the council session the Mayor, City Clerk Scott and Aldermen McGinnis, Blesse, Chumley, Harmon, Fairbank, Sorrells and Rowe were present. Alderman

Chapin was kept at home by illness.

To Buy Wash Pump
The state has several times recommended that a wash water pump be installed at the city plant and the council last night decided upon this action. The use of this pump will make it possible to wash the filter without interfering with the other operations of the general plant. Alderman Chumley brought to attention a lot of the city owns on Goltra avenue where there are no sidewalks and it was decided to lay a walk there.

Robertson's sub-division of Elm Grove addition was accepted subject to the approval of City Attorney Bellatti. The sub-division provides for three building lots on Sandusky street and six on Lafayette avenue.

More Sidewalks
Ordinances were adopted for sidewalks on the north side of Anna street from South Main to South West street, on the east side of South Prairie street from Anna to Edgmon street; Kosciusko street on both sides from Morgan street to Edgmon.

Alderman McGinnis mentioned the blocking of Illinois avenue by empty auto cars, owned by the Packing Co., and the matter is to be brought to the attention of the management of the company.

The bond of Samuel Harris as patrolman for \$500 was approved.

Officers' Reports
Officers' reports were received and approved as follows:

H. C. Clement, city treasurer, reported balance in the general fund \$1,747.70; total in all funds \$61,230.07.

A. B. Opperman, justice of the peace, fines collected \$182; city costs \$29.60; j. p. costs \$51; total \$281.80.

City Clerk Scott: receipts Jacksonville cemetery, \$335.20; Diamond Grove, \$2,128.30; city clerk's office \$389.32.

Chief of Police Kiloran: number of arrests 21, with fines \$281.80. The list of arrests included: disorderly conduct 4, traffic law violations 10, drunkenness 8, assault and battery 1, abusive language 1, petty larceny 4.

W. H. Cobb, water department, reported \$4,634.73, total receipts \$5,211.30.

The report of Dr. R. V. Brokaw, city health officer: deaths 47, non-residents 23; birth 28; communicable diseases: chicken pox 3, diphtheria 1, erysipelas 1, measles 4, mumps 17, pneumonia 10, scarlet fever 1, tuberculosis 8, typhoid fever 1, whooping cough 8.

The report of Sanitary Inspector Edward Loneragan showed that 78 calls had been given attention during the month; 21 licenses for hawking ashes, have been taken out and one for garbage. The inspector reported the clean up in the business district almost completed and a good start made in the residence district.

LIBERAL PLEDGE MADE TO WOMAN'S COLLEGE

Dr. C. E. Welch Gave \$25,000 to Endowment Fund—Announcement Made of This Substantial Help at Annual Meeting of Trustees.

Impetus was given the movement to raise \$250,000 for Illinois Woman's college when Dr. C. E. Welch of Westfield, N. J., a trustee of the college and a generous friend, made a pledge of \$25,000. This substantial help for the campaign was made known at the annual meeting of the trustees of the college Monday in making his pledge Dr. Welch expressed his belief that this is a crisis for the college and that without the funds sought the institution will go backward instead of forward. He made it plain that he was giving his support because he realized that the money must be secured in order to enable the college to comply with the requirements of the educational board and be in position to offer the highest standard of college work.

At the trustees meeting at the suggestion of the executive committee a leave of absence of one year was granted to President and Mrs. J. R. Harker. In fact, the board insisted that this leave of absence should be taken so that the health and strength of both Dr. and Mrs. Harker may be assured for a further period of time.

The report for the Alumnae association showing a year of great growth was presented by Mrs. Lillian King and the conference visitors' report by Rev. T. H. Tull. Senator James H. MacMurray, who is president of the board, presided throughout the session, and various matters of importance to the college were considered.

The report of President Harker considering all phases of the college work and development, was read and approved and will be presented at the commencement exercises today. Among persons here for the trustees meeting were Dr. C. E. Welch of Westfield, Conn.; Richard Yates of Springfield; Dr. F. A. McCarthy of Bloomington; Dr. and Mrs. Ira Blackstock, Springfield. Officers re-elected were:

President—James H. MacMurray.
Treasurer—E. E. Crabtree.
Secretary—A. C. Metcalf.

MADE AUTO TRIP TO JACKSONVILLE
F. J. Dunham, coal operator from Phillipsburg, Pa., and his son-in-law, Fred Holbrook, garage owner of Sherburne, N. Y., are in Jacksonville, having driven thru from Phillipsburg, a distance of 750 miles. They will return tomorrow, accompanied by Mrs. Dunham, who has spent the past two weeks in Jacksonville with her sister, Mrs. J. W. Walton.

Largest silver fox ranch in the world in New Brunswick, Can.

FUNERALS

McBride
Funeral services for the late Thomas McBride were held at the Church of Our Savior at 9 o'clock Monday morning, the Rev. Dean F. F. Formaz officiating at which time solemn high mass was celebrated.

The pallbearers were John Hoban, Edward Keating, Daniel T. Keating, Patrick Dowling, James Casey and John Shields, with interment in Calvary cemetery.

Tomlinson
Services in memory of the late Charles Henry Tomlinson were conducted at 10 o'clock Sunday morning at the family residence five and one-half miles south east of Jacksonville, Rev. J. E. Curry of this county and Rev. Brand of Normal, Ill., were the officiating ministers. Interment was in Jacksonville cemetery.

Music was furnished by Mrs. A. A. Curry, Mrs. Jesse Wilson, Mrs. Charles Wood, Charles Wood, Leonard Wood, Albert Curry and W. W. Gilham.

The flowers were in care of Mrs. L. Joseph Mrs. H. Joseph and Mrs. William Brooks.

The pallbearers were Frank Devine, Guy Coultas, Thomas Cain, Will Scott, John Becker and Irvin Mann.

Miller
Funeral services were held at 3 o'clock Sunday afternoon at Grace M. E. church for Samuel Leslie Miller of this city. Rev. T. H. Tull was in charge, and burial was made in Diamond Grove cemetery.

Solos were rendered by Edward Drummond, with Willard Wesner at the organ.

The flowers were in charge of Mrs. M. E. Gilbert, Mrs. Clarence Ratalchak, Mrs. Henry Meyers, Mrs. Walter W. Wright and Mrs. Lucy Miller.

Pallbearers were H. L. Caldwell, H. T. Capps, R. A. Gates, Walter W. Wright, C. L. Hoelein and Lloyd Ross.

Samuel Leslie Miller was born Feb. 25, 1885 at Timewell, Illinois, and died May 31, 1923, at Jacksonville, Ill.

He was married to Gail Bowling of Shawneetown, Ill., June 23, 1914. To this union were born three children: Samuel Langdon, aged 8; Margaret Dean, aged 5; Elizabeth Ann, 2. He also leaves to mourn his loss, his father, Samuel T. Miller, of Timewell, Ill., three sisters, Mrs. A. Cleaves of Rocky Ford, Colorado; Mrs. Walter Hoke, of Camp Point, Illinois; and Edith Miller, of Champaign, Ill., besides a host of relatives and friends.

In early manhood he professed Christianity and at the time of his death was a member of Grace M. E. church, of Jacksonville.

He was graduated as a municipal and sanitary engineer at the University of Illinois with the class of 1912, after which he spent two years teaching at the Carnegie Institute of Technology at Pittsburgh, Penn. Six years were spent at sanitary engineer for the State Board of Health at Springfield, Ill. At the time of his death he was an employee of the Caldwell Engineering Company of Jacksonville.

The young ladies of the Chapin Social club are planning an ice cream social for Saturday night June 9th.

Mr. and Mrs. Charles Thomason visited their daughter in Jacksonville Sunday.

Miss Amy Onken entertained at Sunday dinner Miss Ina Shaull and Mr. Ray Hileman of Mt. Pleasant, Iowa, Sunday evening. Miss Shaull, Miss Onken, Mr. John Onken and Mr. Hileman were supper guests of Mr. and Mrs. Harry Onken.

Mr. and Mrs. Howard Tucker entertained at Sunday dinner Mrs. A. R. Tucker of Scranton, Pa., and Mrs. Phoebe Scott and Miss Helen Sidles.

Miss Louise Cowdin of the 1923 high school class was the guest of Mrs. R. E. Nickel at the A. A. W. luncheon in Jacksonville Saturday.

The little child of Mr. and Mrs. Rhinehardt Ousman had the misfortune to break his arm Sunday afternoon. Dr. Fountain set the fractured bone and the child is doing nicely.

Mrs. Herbert Westerland of West Frankfort, Ill., arrived Monday for a visit with her aunt Mrs. Peter Ham. Later, Mrs. Westerland accompanied by Mrs. Ham, will go to New London, Iowa.

Mrs. Emily Cowdin will leave Tuesday for Boston, Mass., to spend the summer at the home of her brother.

Mr. and Mrs. W. W. Anderson and Mr. and Mrs. P. H. Ham were Jacksonville visitors Sunday.

Rev. O. W. Lough took the boy scouts to Meredosia Monday evening to camp two days. The trip was made in J. O. Wimberley's truck.

The scouts held a very successful market Saturday to procure funds for the trip.

Miss Ina Shaull left Monday for her home in Iowa. The trip was made by automobile with Mr. Ray Hileman, who had been visiting her during the commencement.

Mrs. E. E. Sidles and sister Mrs. A. R. Tucker were Monday guests of their cousin Mrs. George Schmalz of Jacksonville.

Miss Nelly Calloway was the guest of Miss Lella Edelbrock of Jacksonville last week and attended the J. H. S. class day and commencement exercises. Miss Lella, who is well known here, was one of the graduates.

DEATHS

Cowan
Clyde Cowan, four year old son of Mrs. Arita Timberlake, residing at 59½ East Side Square, passed away at Our Savior's hospital at 7:27 o'clock Monday morning after a long illness, which has been spent in the hospital.

Deceased was born in Chicago. Surviving him are his mother, step-father and one step-brother, Scott Timberlake.

The remains were taken to Reynolds Mortuary for burial preparation and the funeral services will be held from the Reynolds chapel this afternoon at 3 o'clock with interment in Jacksonville cemetery.

ADMINISTRATOR'S NOTICE
Estate of William T. Dyer, Deceased.

The undersigned having been appointed administrator of the estate of William T. Dyer late of the county of Morgan and state of Illinois, hereby gives notice that she will appear before the county court of Morgan county, at the court house in Jacksonville at the July term on the first Monday in July next, at which time all persons having claims against said estate are notified and requested to attend for the purpose of having the same adjusted.

All persons indebted to said estate are requested to make immediate payment to the undersigned.

Dated this 19th day of May A. D. 1923.

MRS. E. F. BAKER IS CALLED BY DEATH

Long Time Resident of City
Passed Away Monday Morning
—Funeral to be Held Thursday.

Mrs. E. F. Baker, a well known and long time resident of Jacksonville, passed away at about 11 o'clock Monday morning at Passavant hospital, where she had been a patient for the past week. Death did not come as a surprise, for Mrs. Baker had been in feeble health for an extended period and for the past several years had been practically blind.

Mrs. Baker suffered a paralytic stroke about three years ago and she never fully recovered from this. During all the long period of invalidism she had the devoted care of her husband and her son, William H. Slater.

The deceased was born in Lincolnshire, England, on July 3, 1840, and was thus almost eighty-three years of age at the time of her death. She came to the United States at the age of twelve years and had been a resident of Morgan county since 1863.

She was united in marriage with William D. Slater in 1859. Mr. Slater passing away in 1866. Her marriage to Dr. E. F. Baker was solemnized in 1871 and for some years their home was in Alexander. Subsequently the family removed to this city and maintained a home on South East street. Later they built a home at 350 West State street and here they have continued to reside ever since.

Mrs. Baker was active in both civic and social circles and took an especial interest in religious matters. She was a member of State Street Presbyterian church

and was one of the most active workers in various lines of church endeavor, until failing health compelled her to give up her varied activities.

Surviving are the husband and one son.

The funeral will be held at 2:30 o'clock Thursday afternoon from the Reynolds Mortuary, in charge of Rev. W. H. Marbach, pastor of State Street church. Burial will be made in Diamond Grove cemetery. Friends are requested to omit flowers.

REQUEST ROOMS FOR VISITING WAR VETS

As previously announced the United Spanish War Veterans have arranged with the Chamber of Commerce to act as booking agents for rooms for visitors during the three days encampment, June 14, 15 and 16.

To date but two parties have registered and request is again made that all who have one or more rooms available for rent during those days should immediately list them with the secretary of the Chamber of Commerce, stating prices. Undoubtedly rooms will be in great demand and the reception committee will be wonderfully helped if these rooms are listed in advance so that the visitors can be properly taken care of.

\$50 REWARD

The Morgan County Farm Bureau will pay the above reward for information leading to the arrest and conviction of the parties who stole the harness from Vernon Baker's barn at Murrayville Thursday night, May 24.

LOCAL CITIZENS TO BOOST ROADS TODAY

Seek Large Delegation to go to Springfield to Witness Fate of Huge Road Bond Issue in Legislature—Leave City at 11 A. M. Today.

A committee from the Chamber of Commerce is working up a delegation to go to Springfield today to be present in the General Assembly when the \$100,000,000 bond issue for hard roads comes up for passage. It is planned to send a large delegation of boosters for the bill from this city. Jacksonville is vitally interested in the plan of a road from Mount Sterling thru this city and on to Taylorville by way of Franklin, Waverly and Auburn. This road is included in the projected bond issue.

The committee in charge of the delegation preparations consists of T. M. Tomlinson, Frank Mawson, L. V. Baldwin, J. E. Osborne, G. A. Dunlap, C. M. Strawn, J. G. Berger, W. E. Sullivan. Ribbons will be provided for the boosters, so as to distinguish them as for the road bond issue. Cars en route to Springfield will leave the Chamber of Commerce, north side square, at 11 o'clock this morning. Anyone wishing to go, call 1759, Chamber of Commerce, and room will be provided in the cars.

Secretary Welch yesterday received a letter from Governor Len Small, urging supporters of the bill to show their colors by their presence in Springfield today. The letter follows:

My dear Sir:
As you undoubtedly realize certain interests have developed strong opposition to our proposed \$100,000,000 bond issue road bill. The Speaker of the House has promised a public hearing on this bill on the afternoon of Tuesday, June 5th, in the House of Representatives. We are advised that the opponents of this measure will be there in force. I am assured by the Chairman of the Committee that those favorable to the bill will be given an opportunity to speak.

There are but few remaining days of the present session. Unnecessary delay or amendments may result in the defeat of the bill, notwithstanding we believe an overwhelming majority of the members of the Legislature are now in favor of it.

Knowing that the majority of the people of Illinois is overwhelmingly in favor of this bill, and that you are vitally interested in its passage, I am taking the liberty of addressing you on this important subject.

It is of the utmost importance that all friends of our hard road system be in Springfield Tuesday to give their moral support to this great measure. Those who cannot come should again immediately make their wishes known to every member of the House and Senate.

Yours very truly,
Len Small.

ANNUAL CONCERT IS UNDOUBTED SUCCESS

Director is Given High Praise for Way in Which He Handled Musical Organization—Soloists Prove of High Quality—Orchestra in Supreme Effort.

One of the events of the Commencement week that is looked forward to with keen interest is the concert given the Monday night before Commencement by the school orchestra. This event has been a fixed festival for many years.

Last night for the fourth time the orchestra played under the able leadership of the director of the music department, Mr. Henry Ward Pearson. The orchestra never has appeared to better advantage; every player entered into the task with a "do or die" spirit that augured well for success and the spirit of conquest prevailed to the end.

It is no light matter for a director of such an organization to find himself facing a new and untried group of students each year and to mould such a group into an acceptable whole in one rehearsal of one hour weekly. Such a task cannot be faced with equanimity. But that it is possible was well set forth in the performance of last evening.

The soloist of the evening was Mme. Colard, soprano. While so new to the public of Jacksonville she has sung and smiled her way into the hearts of the people that she seemed like a friend of many years when she came onto the platform. Her songs were greeted with tumultuous applause. She sang by special request, "The Year's at the Spring" by Mrs. H. H. A. Beach. At the close of the concert the audience was loathe to leave; although Mr. Pearson made numerous returns to bow his acknowledgements the audience made no move to go until the musicians themselves had left the platform.

RETURNS FROM ST. LOUIS
Mrs. J. H. Hopper has returned from St. Louis where she has been visiting her daughter who is a senior in Washington University. The young lady stands very high in her class and is one of six to win a course in Columbia University of New York.

THREE INJURED IN AUTOMOBILE SMASH

P. C. Primis Seriously Hurt—Others Escape With Light Injuries—New Car is Demolished in Collision With Embankment

A serious accident occurred Sunday afternoon near Oaklawn Sanatorium when the new Packard car owned and driven by Edward Bagale, 309 North Diamond street, turned over injuring several of the occupants.

The other passengers in the car were P. C. Primis, manager of the Douglas Hotel, this city; Meyer Silesky, 309 North Diamond street, and Louis Elkins. The accident occurred when Mr. Bagale turned out on meeting another car and got off the hard road. He turned back to the left and the car cut directly across the road and ran into the left bank turning the car over.

Mr. Primis was rather seriously hurt and is now a patient in Passavant hospital. Mr. Silesky did not go directly to the hospital, but as he was not doing so well Monday he entered Our Savior's hospital for treatment. Mr. Bagale was very much shaken up and bruised but was able to be at his work yesterday. The other gentleman, Mr. Elkins, was not very much injured. The car was practically a total wreck and was insured.

Mr. Primis was still in very much pain Monday afternoon, his greatest injury being to the back, as was the case with Mr. Silesky. Spectators who viewed the wreck of the car expressed amazement that in an accident where the car was so completely wrecked the whole party were not instantly killed.

FOURTH OF JULY TO BE OBSERVED IN CITY

Committees Planning Old Fashioned Celebration for City on Independence Day—Parade, Races, Fireworks, to Feature Event.

Jacksonville is in for a real Fourth of July celebration this year, with something doing morning, afternoon and evening. Arrangements are being made by several committees, with Dr. H. Kopperl as general chairman. In the morning the celebration will be held in the business district, consisting of either a parade or a series of pantomimes of historical events, and a band concert by the Community Band. In the afternoon will occur the matinee races at the fair grounds, and in the evening the Jacksonville State Hospital will be the scene of a grand fireworks display.

Last night a special racing committee, consisting of John W. Cleary, Chester Sharpe, Dr. R. C. Henley, L. A. Reid, Scott Green, J. L. Henry, L. F. Randall, Clark Green, A. D. Arnold, Charles S. Black and Harry Kinner, met at the Chamber of Commerce and arranged for the racing program to be held the afternoon of the Fourth. The committee ordered the printing immediately of 2,000 tickets. Each adult ticket will admit two persons, a lady and gentleman. Children under ten years of age will be admitted free.

The new barn at the track is about complete. It is expected to have about forty horses competing in the races. The community is taking a lively interest in the promotion of racing programs, which promise to give great attraction and drawing card in the future.

WILL RAISE \$2,200 FOR BAND UNIFORMS

Committee Will Start Solicitation This Morning—Band Will Furnish Concerts During Summer—Have \$5,000 Invested in Instruments

A committee will open a campaign at 9:30 o'clock this morning to raise \$2,200 to uniform the Community Band. A meeting of the district chairman is called for that hour at the Chamber of Commerce. This movement was decided upon yesterday morning at a meeting of the Commercial Division executive board. A special committee from the band met with the board and the matter was thoroughly discussed.

The band has agreed to furnish the merchants with six or more concerts during the summer, to be given at any time and any place which is decided upon by the committee. The merchants are to uniform a 42-piece band and provide a library costing \$200. It is estimated that the band will give in return \$1,400 worth of service in the concerts. It was learned at the meeting that the boys have invested collectively \$5,000 in instruments for the band.

The uniforms are to be made in the city colors, blue and gold. They will consist of trousers, coat and cap and cape. On the cape will be a gold "J." The band is gaining popularity and is appearing often in public. There is no doubt that the people of Jacksonville will get behind the movement to support a real band, and the effort to secure funds for the uniforms is the result of a sincere desire to promote such an organization.

BIRTHS

Born at Our Savior's Hospital Monday morning to Mr. and Mrs. Lyman Fox, 403 East College avenue, a son, Mrs. Fox was formerly Miss Dorothy Coffman.

PROTESTANT PICNIC PLANS NOW COMPLETE

Big Day in City Next Thursday—Give Exact Instructions for Formation of Parade.

Arrangements are all complete for the Morgan County Protestant Church picnic on next Thursday June 7th.

The parade will be in charge of J. G. Berger as chief marshal and W. H. Crum, Amos Coker, Charles H. Story and Charles S. Black will assist as aides. It has been the intention to especially invite every Protestant church in the county, but in case any have been overlooked the committee wish to emphasize the fact that all of the Protestant churches in the county are wanted in line at the picnic.

The parade is to move promptly at 10:30 a. m., Thursday, June 7, and delegations must be in line half an hour earlier in order to insure promptness. The head of the parade will rest on West State street, west of Prairie street. As the first three sections of the parade move east along West State street, six on Kosciusko street, six on Fayette street, are expected to fall in line.

All persons will travel in automobiles except band members, pastors and members of the Men's Bible class, who will walk from Prairie street along State street and the public square, down South Main street to College street. Here, cars will be in waiting for them and the movement of the parade to Nichols park will continue.

Below is given the order of parade with each delegation bearing a number. By referring to the instructions given below this list each organization may be able to ascertain their exact formation place and by so doing the parade should move off promptly without a hitch.

Order of Parade.
1—The community band will lead the parade and there will also be bands from Merritt and Waverly. The order of parade will be as follows:

- 2—Pastors.
- 3—Members of Men's Bible classes.
- 4—Alexander and Orleans—Mrs. W. T. Scott, director.
- 5—Berea, Otis Keltner, director.
- 6—Brooklyn, J. A. Walters, director.
- 7—Centenary, T. B. Reeve director.
- 8—Central Christian Ben Roodhouse, director.
- 9—Clark's Chapel, Miss Anna McDonald, director.
- 10—Congregational George E. Stuckney, director.
- 11—Concord, Bert Way, Henry Williamson, directors.
- 12—Chapin, Rev. F. M. Crabtree and Rev. O. W. Lough, directors.
- 13—Durbin and Providence, Sam Darley, Jr., director.
- 14—Ebenezer and Wesley Chapel, C. A. Rowe, director.
- 15—First Baptist church, Charles H. Story, director.
- 16—Franklin, Luther Williams, director.
- 17—Grace M. E., C. E. Williamson, director.
- 18—Hebron, Shiloh, Asbury, Rev. P. J. Reinhardt, director.
- 19—Salem, Edward Phillips director.
- 20—Island Grove, J. D. Reed, director.
- 21—Literberry, W. H. Crum, director.
- 22—Lynnville, Liberty, Merritt, Fred Schofield, director.
- 23—Northminster.
- 24—Meredonia, L. F. Berger, Henry Berger, directors.
- 25—McKendree Chapel, C. E. Rice, director.
- 26—Murrayville, Zion, Harry Cade, Vernon Baker, directors.
- 27—Union, Sulphur Springs, A. A. Curry, director.
- 28—Waverly, Appalonia, Little York, Mrs. W. E. Barrows, director.
- 29—Woodson, Dr. R. R. Jones, director.
- 30—Young Blood, Leonard Dalton, director.
- 31—Union Grove, C. E. Strawn, director.

Nos. 1, 2 and 3 will form on West State street west of Prairie street.

Nos. 4, 5, 6 and 7 will form on the east side of South Prairie street.

Nos. 7, 8, 9 and 10 will form on the west side of South Prairie street.

Nos. 11, 12 and 13 will form on the east side of South Kosciusko street.

Nos. 14, 15, 16 and 17 will form on the west side of South Kosciusko street.

Nos. 18, 19 and 20 will form on the east side of South Fayette street.

Nos. 21, 22, 23 and 24 will form on the west side of South Fayette street.

Nos. 25, 26 and 27 will form on the east side of South Church street.

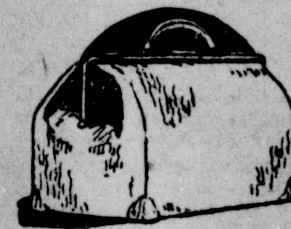

Nos. 28, 29, 30, and 31 will form on the west side of South Church street.

In each group given the organizations will form as by number with the head of the organization resting near the intersection of that street and State street and the others directly behind them so that they may promptly fall into their places as the column passes each street.

HERE FROM MISSOURI.
Mrs. Chauncey Robert and two daughters, Dorothy and Millieann, of St. Joseph, Mo., have been guests the past several days at the home of Mrs. Robert's parents, Mr. and Mrs. Frank Craven, on Morgan street Sunday the visitors left for Centralia for a stay of several days with relatives.

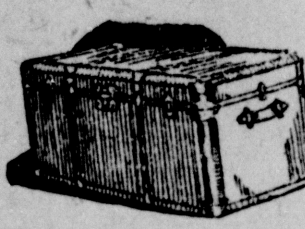

WAS VISITOR IN CITY.
Carl Antrobus, who has been principal of the high school at West Point, Ill., spent Friday with his family, H. N. Gocher and family in Jacksonville.

LITERARY UNION HAD EXCELLENT MEETING

Dr. Brokaw Presented Paper on Scientific Subject—Members and Guests Attended 58th Annual Meeting of Notable Organization.

The 58th annual open meeting and banquet of the Literary Union was held last night at the Peacock Inn. The president, Rev. W. H. Marbach, was in charge of the program. The secretary, Morrison Worthington, read the minutes of the previous annual meeting.

The chief feature of the program was the presentation by Dr. R. V. Brokaw of an excellent paper on "The Correlations of the Soul." The paper was a scientific and philosophical presentation of evolution. It received many favorable comments from those present, as it was a well thought out and thorough discussion of the subject in hand.

Following the usual custom, each member commented on the paper, and a general discussion of the subject concluded the program. Wives of the members and other guests were present. The club voted to send letters of condolence to Mrs. S. L. Miller and Dr. E. F. Baker.

The new June Victor Records are in—Come in and hear them. J. Bart Johnson Co.

WITH THE SICK

Mrs. Charles Grady returned from Passavant hospital to her home, 1012 South Clay avenue Sunday.

WINCHESTER HAS H. S. COMMENCEMENT

Winchester, June 4.—The Baccalaureate services for the seniors of the community high school were held in the school auditorium Sunday evening. The hall was elaborately decorated in green and white, the colors of the class. The sermon was delivered by Rev. Nording and the prayer was made by Rev. Bayless. The community high school choir of girls furnished music for the occasion. Class day exercises will be held at the high school Wednesday evening and the commencement program will be given Thursday evening.

Children's day was observed in both the Methodist and Baptist churches here Sunday morning. Pretty decorations and inviting program featured both services.

Mrs. W. L. McDonald entertained a number of little girls from 3 to 5 o'clock this afternoon in honor of her daughter, June who had a birthday. Games music and other amusements were enjoyed by the children.

Miss Beulah Green has returned from Jacksonville, where she has been teaching during the past school term.

Market Report *By The Associated* **Hard Coal**

PRICES UNEVEN **CASH WHEAT** **BUTTER MARKET**
IN STOCK MARKET CLOSED UNCHANGED QUIET AND WEAK

IN STOCK MARKET **CLOSED UNCHANGED** **QUIET AND WEAK**

CHICAGO, June 4.—Cash wheat closed unchanged today, with premiums and discounts unchanged on red and spring and Grano on the hard and yellow hard. Cash wheat was \$5.10 a bushel. The seaboard advised of 40,000 bushels of new crop winter wheat from the European market. August shipment at 10c over Chicago.

Corn finished $\frac{1}{8}$ to $\frac{1}{16}$ higher; premiums were unchanged to 4c better on mixed grades and 1 to 2c higher for yellow and white.

Cash sales here were 70,000 bushels.

Oats closed $\frac{1}{4}$ to 1c better. Premiums finished $\frac{1}{8}$ to $\frac{1}{16}$ higher; shipping sales here were 50,000 bushels.

Corn & inspected: Wheat 19; 30; 35; oats 97.

CHICAGO, June 4.—After the sharp advance this morning brought about by the apparently increased demand for a few buyers, the butter market 3-4-7 today, however, was not so weak; at the close supplies were liberal and demand very limited. Dealers were not inclined to make instances willing to give concessions.

The weakness centered on cars the supply of which was far above the demand for the same. At below quoted prices resulted in very little business.

Fresh butter 92 score 40; 91 score 39; 90 score 35; 89 score 32; 1-2 score 25; 1-3 score 23; 88 score 23.

Centralized carlots, 90 score 37; 89 score 33; 88 score 30.

CALL FOR

CALUMET

The Economy **BAKING POWDER**

It's used by more housewives—more chefs—more railroads—more restaurants—more hotels, than any other kind in America and its sale is over 150% greater. If you want every bake-day to be a success—if you want positive results at a small cost—if you want to guard the purity of your bakings, use Calumet. Every ingredient in it has been officially approved by the United States Food Authorities. Order Calumet today—it will pay.

BEST BY TEST

THE WORLD'S GREATEST BAKING POWDER

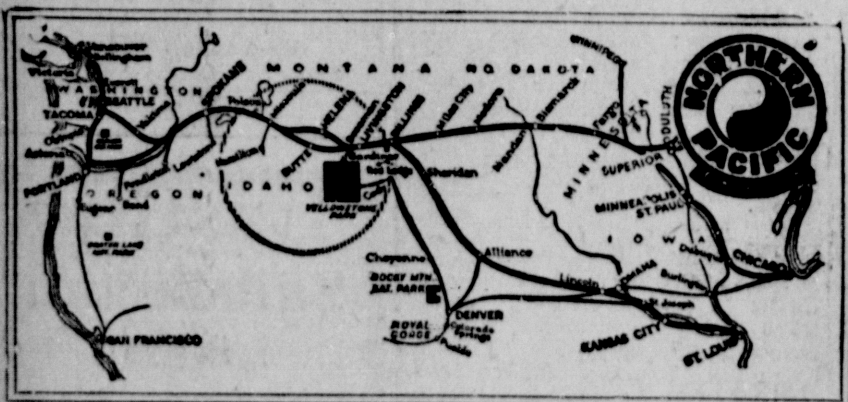

Your blood changes in the Spring. Why?

YOUR blood, S. S. S. has given new, long-forgotten strength to older people and has made many old and young people look years younger. Blood is life—it's your foundation—make it rich—get blood strength—we all need it, especially rheumatics. S. S. S. will improve your appetite and give you greater energy, strength and endurance.

Mr. Harry C. Bachman, 4735 Main Avenue, Norwood, Ohio, writes: "I had skin eruptions—pimples and blackheads. I took S. S. S. and was happily surprised at the results I got in less than three weeks' time."

Try it yourself. S. S. S. is sold at all good drug stores. The large size is more economical. Get a bottle today!

S. S. S. makes you feel like yourself again

Doorways to Lands of Rare Delight!

Study this Map a Moment

SEE! there is Polson—at the foot of Flathead Lake. There, too, is Hamilton, in the Bitter Root Mountains; and Red Lodge, just northeast of Yellowstone Park.

These three Northern Pacific Stations are doorways to Lands of Rare Delight—lands where there are not one, but a hundred mountain peaks; not one, but a score of lakes; not one, but a dozen rivers. Here are virgin forests.

Here are trout in abundance; bear, too, and elk and mountain sheep; skies as blue as Italy, and air such as city-dwellers never breathe.

Here, as nowhere else in America, one can "loaf and invite his soul"—resting on the shoulder of a friendly mountain or on the shore of a lovely lake; breathing the strong mountain air; living healthfully, simply and sanely.

\$66.25 Round Trip from Jacksonville to Missoula, Flathead Lake and Bitter Root Mountain Region

Mountain hotels, cottages, tent cities, "dude" ranches, take your choice. I would like nothing better than to plan an "off the beaten path" vacation

In the Rocky Mountains for You and Yours

I have two booklets which give precisely the information you want about a section of country which is only now being recognized as an incomparable summerland—a land of lakes and rivers and forests, backed by snow-clad mountains which, for sheer beauty, rank with any in the world. I will gladly send you "Rocky Mountain Vacations" or "The Flathead Lake Country," if you'll write me.

BAND FESTIVAL AT ROODHOUSE JUNE 25

Extensive Plans Being Made by American Legion Post for Big Day—Fifty Band Organizations Expected

Roodhouse, June 2.—The Roodhouse post American Legion have recently made plans for a monstrous band festival to be held in this city on June 25. This time was thought to be the best in view of the oncoming harvest and other activities and there will be a day of real sport and a royal treat for all who attend the festa.

The promulgators of the celebrations are expecting no less than 50 band organizations to be present on that date and special arrangements are being made for one of the largest floral parades ever staged in Greene county. This event is not a band tournament, as some would believe, it is, however, a festival gathering and a get-together meeting for the promotion of good fellowship and bigger civic improvement. It is the wish of the committees that ever band director within a radius of 50 miles, consider this coming event and made ready to attend full strength.

The morning session will be given over to an impromptu band concert by the various organizations present and it is hoped there shall be music on ever corner and a couple of bands in between. The citizens of Roodhouse invite the entire country to be present on the occasion to assist in making a showing for the different bands from their home towns and cities.

Drums corps are also included in the list of invitations and any city having a number of drummers is especially urged to make this day one of pleasure along with your band.

The afternoon program will consist of floral and fancy dress parade, in this important event, each city is again asked to send a decorated float to participate in the parade. Suitable awards will be offered for the best float.

At night the streets will be illuminated with red fire and a pyrotechnic display will be the feature, in conjunction with a mass-band parade and a concert of the same nature after the parade has finished.

If it is possible, a low rate railroad excursion will be slack for that day on the Chicago and Alton, which shall be added inducement for a large gathering.

H. A. Casteel, commander of the post has been selected as general chairman for the committee and Guy Wolfe will have charge of the finance. J. V. Teeple, publicity director for the legion has been appointed advertising and publicity chairman. G. L. Berry, director of the Roodhouse band will have charge of the invitations to out of town bands and drum corps. F. E. Battershell, as concession chairman will look after the concession rights and other privileges.

A cafeteria service will be in evidence all day and C. Y. Rimby has been placed in charge of this affair. Mrs. G. R. Stevens, president of the Woman's club will have the solicitation committee in charge and George B. Morrow, has been selected to act as grand marshal of the day, in full charge of all parades and other events of this nature.

A pyrotechnic expert will be in the city on that date to supervise the display at night.

Deposits made in our Savings Department during the first ten days of June will bear interest from the first of the month.

FARRELL STATE BANK

OIL PRODUCTION NEWS
Oil City, Pa.—During the month of May in the oil fields east of the Rocky Mountains 2,563 wells were completed, according to the regular detailed report of The Oil City Derrick. This is 387 more than were completed in April. The initial production of crude oil credited to the May completions was 389,283 barrels daily, which is an increase of 73,429 barrels over the April figures. During May 577 dry holes were reported, a gain of 70 while gas wells aggregated 179, a decrease of 36. At the close of May there were 6,454 rigs and drilling wells in these fields, 246 more than at the close of April.

The largest producing well ever drilled in Oklahoma has just been completed by the Carter Oil and Southwestern Petroleum Companies. It made 14,460 barrels in 24 hours. The well is an old one drilled deeper.

BLUFFS RESIDENT SERIOUSLY ILL

J. E. Likes in Very Serious Condition—Miss Sappington Has Painful Injury—Other Bluffs News

Bluffs, June 3.—J. E. Likes who was taken suddenly ill one week ago from high blood pressure and complications, is very ill at his home.

His chances for recovery are very slight.

Delta, Nevada and Wayne Lake, children of Mr. and Mrs. William Lake left for an extended visit with their grandparents, Mr. and Mrs. Martin Lake at Nelsonville.

Mrs. Charley Renowd and sons, Lee and Ellwood left Sunday to remain indefinitely with their parents in Pearl.

Miss Mary Laird of New Salem is the guest of the Herman Dunham household.

Miss Bessie Sappington who had the misfortune to fall while alighting from a train at Griggsville fracturing a bone in her elbow is convalescing but her injuries are very painful.

J. Y. Creel of Spokane, Wash., arrived last week by auto for a visit with his aunt, Mrs. Mary Buchanan and other relatives in the vicinity of Bluffs and Exeter.

Dale Thompson went to the Wabash hospital in Decatur the first of the week, seeking relief from an attack of appendicitis.

Several students of the Bluffs community high school have received interesting post cards from their former teacher, Miss Norb. Perbix of Markham who is touring Switzerland and other points of interest in Europe.

Mrs. Arthur Toney and children Vernon and Helen and Mrs. Maude Trisch of St. Louis, Mo., are guests of the Frank Schmidt household.

Mrs. A. E. Scott of Haviland, Kan., is visiting her sister, Mrs. H. M. Fuson and family.

Charles Willis, Jr., has returned from the state university at Urbana where he is taking a course in civil engineering.

C. B. & Q. PRESIDENT
"Give the Transportation Act of 1920 a fair chance," is the declaration of Hale Holden, president of the Chicago, Burlington and Quincy railroad company, in the June issue of the Illinois Journal of Commerce.

"Since the passage of the Interstate Commerce Act of 1887," continues Mr. Holden, "our country has been carefully building up a system of scientific railroad regulation, disappointing and discouraging at times, and during certain phases of the building up of the system, some regulations have been unnecessarily repressive. Meanwhile, however, this system has grown in independent character and the view seems general among business men throughout the country that the Transportation Act of 1920 is the best measure that has yet been devised and ought to have a further trial before additional legislation is undertaken."

Mr. Holden believes there is apt to be a tendency to congressional legislation next winter "which, if proceeded with," will seriously impair the independence of the Interstate Commerce Commission and do great damage to the systematic results of the commission which have been growing and developing under its quasi-judicial methods for many years."
